

General Career Investigation

The following questions will guide you through the exploration phase of this career path. We invite you to complete research online and connect with people working in your area of interest in order to familiarize yourself with the career path.

Your answers will help provide further insight to your readiness.

Tips for Completing this Career Investigation

For information on skills, abilities, employment trends, salary information, and occupational descriptions, we recommend exploring:

- <https://alis.alberta.ca/>
- <https://tradesecrets.alberta.ca/>
- <https://www.youtube.com/user/WomenBuildingFutures>

We also recommend finding current job postings and companies that are hiring in your career of interest, to gather more information around salary and experience required for these positions.

Please note: your Career Investigation must be submitted before the application deadline, in order to be accepted as part of your application to the program.

Please answer every question to the best of your ability and fill out ALL fields to ensure your application is complete and thorough.
